Dear Donors,

First of all we thank you for your kind donations, helping Fr Themis help the poor in West Africa.

As a full volunteer organisation, 100% except for bank fees of your donation are sent and used by Fr Themis.

In the United Kingdom P4K is registered for Gift Aid, our reference : #EW86484.

Gift Aid allows individuals who are subject to UK income tax to complete a simple, short declaration that they are a UK taxpayer. Any cash donations that the taxpayer makes to the charity after making a declaration are treated as being made after deduction of income tax at the basic rate (20% in 2011), and the charity can reclaim the basic rate income tax paid on the gift from HMRC. For a basic-rate taxpayer, this adds approximately 25% to the value of any gift made under Gift Aid. Higher-rate taxpayers can claim income tax relief, above and beyond the amount claimed directly by the charities. The rate of the relief for higher-rate taxpayers in 2011 is usually 20%, the difference between the basic rate (20%) and the higher rate (40%) of income tax, although recipients of dividend income (taxed at 10% and 32.5%) can achieve a higher rate of tax relief (22.5%).

So, where possible, we will apply Gift Aid to your Donation.

As from the 2021 School year (Jan 2021) P4K UK will take on the responsibility of funding the entire operation on the Orthodox KooBay school to the amount of £1000.00 GBP per month for 2 years.

No official audit is required until we surpass the government required threshold.
